Students take to the water: different strokes for different boats in annual spring thaw boat race

By Bruce Loney

Cliff Smalls will be at Canby and James Manning at Willits to win the annual Spring Thaw Boat Race April 6.

The races and regatta started on the water along the Central

River from Canby's Old Town Bridge to a quarter mile downstream from Canby's The Boat House.

Individual slugs, to win a prize, started on a 1/4 mile course from the Old Town Bridge and ending one-quarter mile downstream from the Bridge way 1/2 hour after the start.

Manning said the keys to doing well were "a good and determined, knowing the type of boat you're in, and knowing how to use the boat." He said the key "isn't the water, it's the boat."

The winners carried the canoe to Canby town, 1/2 mile. Manning and Smallwood

started a 1/2 mile 1/2 hour race. Manning and Smallwood

placed second with three hours, 41 minutes. Manning and Smallwood finished third with three hours, 41 minutes.
